Sir:

This communication is merely confirming that Terminal Disclaimers including those referred to in the Office Action of April 25, 2001, were forwarded to the PTO by facsimile on April 24, 2001 and then again on April 27, 2001. Obviously the Office Action was prepared for transmittal prior to receipt of the Terminal Disclaimers.

It is to be noted that one of the application numbers in the Office Action had a transposed number. Thus "09/422,025 was obviously intended to be 09/442,025".

REMARKS

In view of the prior filing of the terminal disclaimers, the case is believed to be in condition for immediate allowance. Accordingly, notification to this effect would be sincerely appreciated.

If any matters remain in requiring further consideration, the Examiner is respectfully requested to telephone Applicants' representative so that such matters can be discussed and promptly resolved.

Please continue to address all correspondence in this Application to Mr. Philip M. Pippenger at the address of record.

Respectfully submitted,

John F. Sieberth
